## Forty-Eight Baptized At Close Of Revival Last Sunday Night

### Eighty Responses: Baptism, Letter, Re-dedication Since the Beginning of the New Pastor's Services

The Baptist people of Hamlin are not the only ones happy over the results of the ten days revival that the new pastor, Rev. Henard E. East, closed last Sunday night. Every church organization has felt the effects of the campaign to "March to Church in March."

Sunday night's services closed the meeting with the baptizing of the largest number ever baptized at one time by the Hamlin church. Forty-eight men, women, boys and girls.

A summary of the results of the meeting might be expressed in this manner: Since the arrival of Rev. East in Hamlin, 55 persons have presented themselves as candidates for baptism. Forty-eight have received baptism, and seven others will receive baptism later. Besides the ones coming by baptism, 15 have united by letter and 10 have re-dedicated themselves. This makes a net total of 80 responses during the past six weeks.

Evidences are plentiful that the principle and ideals of Christianity stand as the foundation of our American influence and power in the world. The power of preaching has not vanished from off the earth. The hearts of men are as touchable in this age as in former times, and the Message continues to have as much attraction as the messages of long ago. The eye, the ear and the mind represent the windows of the soul.

Churches in communities like Hamlin represent the greatest bulwark of our present civilization, and good government. A Christian people are Christian because of teaching from mother to child, father to son, from neighbor to neighbor, and this teaching will continue through every avenue of expression and communication to the end of time. It is not what church one belongs to but what have you learned, what have you believed, and how do you testify before man.

The Herald endeavored last week to give publicity to the closing days of the program "To March to Church in March," as sponsored by all the pastors in Hamlin. We feel that every church was well attended on last Sunday, and that every pastor has cause to be satisfied with the united efforts. Some program was carried out in all the churches, all working in one line of action, for evangelism in Hamlin.

The services conducted by Rev. East, Sunday represented his crowning effort, thus far in his pastorate here. There were 307 in Sunday School and a house crowded to the limit in the morning services, at which time he used for his text, "A Great Woman," which naturally lead to "mother's" influence for Christianity in the home. It marked

a big hour in the revival.

Sunday night, the church capacity was below the demand. Every available seat, place for a chair, every corner was occupied by somebody. The balcony was also used and still everybody could not get a place to sit.

The last subject was "The Unpardonable Sin." Preceding the sermon, the Artist Evangelist, Miss Gracia Halsted of Oklahoma City, represented on the canvas, a most convincing picture of the progress of a man from boyhood to old age, carrying out the idea of "Wait, wait till tomorrow." Miss Halsted's representations were effective in every service. But when the baptism was unveiled Miss Halsted's picture of the Jordan River and its valley, hills and mountains, with the waters leading towards the front, blending into the colors of the real water in the baptistry, created a climax of reverence and beauty hardly to be described. This was more especially true as the pastor approached through the water from the side and read from his Bible. All lights of the church were turned off except the concealed bright blue one which made the new scenes visible. The services terminated in the 48 repetitions of baptisms. All Christian people present were impressed and happy. We repeat again, devoted Christian citizens constitute the greatest factor in making our land a great nation. A real revival in a community is important to every factor of spiritual progress.

### Young Man Shot At Rabbit Drive Thurs.

Rabbit drives are sometimes dangerous to the shooters as well as for the rabbits. Thursday, March 28, when the drive was in progress from near the Plaster Mill southward, Clinton Maberry was painfully peppered with small shot. He was hit from the chin down to his knees, and in all about 70 shot penetrated his skin. Some of the shot came near getting through to the hollow.

It pays to be careful where one shoots, and where one stands. Everybody is glad Clinton came out as light as he did.

#### RABBIT DRIVE

Monday, at 9:00 o'clock at the Rimmer Farm just west of town a rabbit drive will start and end up at the home for dinner. School boys are not wanted. All shooters must observe safety rules. Come eat with us.

### Stamford Teacher Is A Candidate For State Representative

H. S. (Gob) Fitzgerald

Below, the Herald gives you the formal announcement of Mr. H. S. Fitzgerald, of Stamford, as a candidate for the position of State Representative. Mr. Fitzgerald is an assistant coach in the Stamford High School, and came over Tuesday night to make his wishes known to this end of the district through the Herald. His statement is as follows:

To The Voters of Jones and Shackelford Counties:

I wish to make a public announcement for the office of State Representative for the 115th District. My intentions have been filed with the County Democratic Chairman for several weeks.

If I am elected as your represent-

### Ministers of Hamlin Welcome Co. Singers

We cordially welcome the Jones County Singing Convention which meets in our city next Saturday and Sunday. And, too, we wish to offer our services of whatever sort it might be which would contribute to making your visit profitable and pleasant.

Then on the Sabbath we hereby bear to you a most cordial invitation to worship with us—in the church of your choice. Especially do we call your attention to our hour of morning worship—11 A. M.

H. E. EAST, Pastor of First Baptist Church

DAN JONES, Pastor of the Church of the Nazarene  
JOHN W. HENDRIX, Pastor of the Methodist Church

tative I can assure you I shall give my full time in Austin for the impartial representation of the citizens of Jones and Shackelford Counties.

I am 31 years of age and have lived all of my life in Texas. I am a son of a Presbyterian minister. My father was pastor of the First Presbyterian church in Anson from 1920 to 1925. I attended school there three years in the Anson High School. I received my college education in Texas A. & M. College, and was graduated from Hardin-Simmons University in 1933. I was captain of the H-S football team in 1932. For the past six years I have been teaching school, the last three years a teacher of Social Science and assistant coach in the Stamford High School. I have been married four years. I hope to meet all the voters in these two counties before the election date, July 27th.

"A public office is a public trust." Your wishes and desires shall be mine. I promise honesty, sincerity of purpose, and fulfillment of the office to the best of my ability.

## Hamlin Welcomes Jones County Singing Convention

Hamlin people, under the inspiration of Henry Shipp, President of the Jones County Singing Convention, are making much preparation to entertain the big convention of Jones County Singers here from Saturday night through Sunday. And really a feature of the convention will start this Friday night when the Frank Stamps Quartet gives a benefit concert at the High School auditorium. This is one of the country's most famous band of singers, and their appearance here one night in advance will enable them to render a program, sponsored by the Hamlin Girl Scouts, who will share one-fourth of the admission proceeds. Don't forget this.

Arrangements for the singing convention is in the hands of Mrs. T. B. Middleton, local chairman, President Shipp, and Vice-President Fred Bennett, and Lester Baize, Secretary.

The Jones County Convention is a living thing . . . this is its 47th annual meeting, and one of the attractions is the appearance of several of the older members who led singings more than 40 years ago, after traveling miles and miles over rough roads in a wagon or buggy.

At all of these Conventions, out-of-town guests are present. This year such a large number of Quartets have been invited and expected, that we may expect the largest number in attendance than ever before.

The High School auditorium will seat but about 900 and they are expecting several thousand present Sunday afternoon. Outside seats are being arranged and the Gulf Company is furnishing a loud speaker equipment for carrying the songs to every nook and corner of the area.

Besides the Frank Stamps Quartet, the Lubbock Quartet, Weaver's San Angelo Quartet, Ribble's Quartet from Caddo, and Taylor's Quartet from Vernon will likely be on hand. Arrangements are made to entertain the visiting singers at night and at meal time.

Song sessions will start Saturday night about 8:00 o'clock, and then

on Sunday morning at about 10:30 and again at 1:30 P. M., lasting till late in the afternoon. If you can't get into the house, come and sit on a bench outside. The loud speaker will do the trick, except that you can't see some of those ugly big fellows' faces and mouths as they trip over the vocal ladders. Come along.

## Items of Interest Concerning Hamlin Schools

Hamlin schools made a creditable showing in the Interscholastic League meet held in Anson on the past two week-ends.

The elementary school under the direction of Mr. Morton was especially successful winning six first places, four second places and one third. We are glad to present the following winners and their coaches from both schools.

#### FIRST PLACE WINNERS

### NAZARENE CHURCH

The Nazarene church is gratified with the results of the "March to Church in March" campaign. It has proven profitable to every department of the church. And now that March is over let's keep marching to church each time there are services to attend.

Our Pre-Easter revival proved a great blessing to the church. Quite a number were saved and all who attended received spiritual help.

We want you in our Sunday School at 9:45 each Sunday.

The worship service at 11 o'clock Sunday. Subject, "The Secret of Strength."

Young People meet at 7:00 o'clock with the evening service at 7:30. Subject, "Some Reasons Why I Do Not Believe in Death-Bed Repentance."

March to church at the church where you are always welcome.

DAN D. JONES, Pastor

THE GIRL SCOUTS are sponsoring the Stamps Quartet Friday night April 5th at the High School. The girls hope to get enough money to fence their lots. Please help the girls by your presence. The girls get one-fourth of the admission.

A LITTLE BIT ABOUT

This

AND A LITTLE BIT OF

THAT

FOR SALE! A couple of perfectly good car numbers, used only one year. Bargain.

—T&amp;T—

It's "Berry Time" . . . W. E. Shields was seen in Hamlin Saturday. W. E. says he still lives in the "Shinnery."

—T&amp;T—

THERE IS no guess-work about a message in a newspaper. It becomes a public expression and can be re-read and read again and again. The newspaper message goes into the homes and hearts of people . . . more especially if the paper be one of the small town, once-per-week kind. The newspaper message waits for you and you can get what it says when you deliberately choose.

—T&amp;T—

THE FUNNY thing about those radio messages, is that the ones paying for the time, use the papers to call attention to the hour, station and time. A great many radio messages are wasted on the "deserted" air. If one happens to tune in and hit the program on the dot, and there is something catchy, snappy, and mighty unusual, one settles down to listen, otherwise, otherwise, otherwise . . .

—T&amp;T—

"Columnist Olive McDougale, in the Stamford Leader says:

"We could write about politics . . . we're having some . . . we could express our wish for a theatre as nice as the one at Hamlin, showing pictures that

would keep Stamford folks at home . . . we could wish for Stamford folks to take more pride in the appearance of their town, for papers to be kept up off streets and sidewalks . . . we could protest fast driving on the part of the younger and older generation who dash down town so they can double park—we could also raise a howl about folks who double park when there is plenty of room at the curb . . . we could do all these things . . . and perhaps nothing would be gained, and perhaps our career as a columnist would come to an abrupt halt.

"Pour it on 'em," Olive. Little drops like those above will do the trick . . . nothing folks like better than have somebody kick a little hide off the other fellow's shins—"Pour it on 'em."

—T&amp;T—

Now that the City election is over, the Mayor and his entire council should go see or set up a correspondence with the Mayor of Kyle, Texas. This idea came out of a radio expression on Tuesday. Boys, you might investigate.

### Culbertson Re-elected

Mayor of Hamlin, One New Alderman Chosen

The city election went off quietly, Tuesday, with only 261 votes cast. The ballot as reported is as follows:

FOR MAYOR:

Joe L. Culbertson . . . . . 140  
W. L. Boyd . . . . . 108

FOR ALDERMEN: (3 to elect)

M. C. (Guy) Wilson . . . . . 200  
Fed H. Britton . . . . . 171  
H. O. Cassle . . . . . 157  
J. W. Ezell . . . . . 133

(Write-in Ballots):

Frank Waggoner . . . . . 1  
J. Ubben . . . . . 1

Thus the result is the re-election of Mr. Culbertson, and aldermen, Wilson, and Cassle, and one new alderman, Fed H. Britton.

## Hamlin Bank Cashier Will Announce For State Representative

W. C. (Ted) RUSSELL, HAMLIN

For many weeks a number of people from various sections of State Representative District No. 15, which includes Jones County and Shackelford County, have urged W. C. (Ted) Russell, Cashier of the Farmers & Merchants National Bank of Hamlin, to announce as a candidate for State Representative, of this district.

In Hamlin everybody calls Mr. Russell, "Ted." And Ted Russell is a busy man, even in normal times, and recently he has been all the busier because of the thought of accepting the call to be a candidate. Mr. Russell wanted to get his announcement statement ready for publication this week, but since he was unable to be ready, he yielded to his friends and asks the Herald to tell Hamlin and community he will be in the race full style next week.

Having known Ted Russell for the past 26 years, and he is only 41 years of age, we know his qualifications from a mere boy to this day of more than 20 years in business in Hamlin, most of the time with the F. & M. Bank. He has proved his business ability and his promotions from time to time till he now occupies the position of Cashier, establishing him as a business counselor.

Mr. Russell has occupied various positions of trust in the affairs of Hamlin, City Secretary, President of the School Board, President of the Hamlin Chamber of Commerce, President of the Lions Club, and prominent in all church and charity work.

In recent years Mr. Russell has given much attention to highway development in this section of the state; has made a number of trips to Austin, has had extensive business with the Department of Agriculture, and other departments.

In recent years Mr. Russell has had many contacts in behalf of the cotton farmers of this part of the state, and was the first banker to secure big funds through the government to help move the cotton of 1937-38-39.

This is enough to say, giving evidence that W. C. Russell is equipped to render efficient services in a Texas legislature. Listen for his own statement in next week's papers of the district.

## MISHAP FATAL TO McCAULEY GIRL

Velta Parker, 15-year-old McCauley high school student, died in a Stamford hospital last Friday afternoon of injuries suffered in an automobile accident near McCauley early in the morning. A severe head injury proved fatal.

The victim was hurt when a car she was driving overturned just east of McCauley. Two other occupants, students, Lillian Bess Darden and Fern Maberry, who were in the car escaped with only bruises and scratches. The girls had borrowed a car from one of the teachers to return home to get some things before going to Roby for the county track meet.

Miss Parker was brought to Hamlin for medical attention, then moved to Stamford where she died at 2:30 P. M.

Funeral services were held at the First Methodist church at 4 o'clock Saturday afternoon with the pastor, the Rev. Mr. Ottinger, officiating.

Survivors are the parents, Mr. and Mrs. Ira Parker and two brothers, Kenneth and Leo.

Adding machine rolls 15c or two for 25c at the Herald Office.

## It Was Mrs. Turner's Brother-In-Law Who Died — Not Brother

A very unfortunate and very unusual error arose on Wednesday of last week when a phone call came to Mrs. John C. Turner concerning a death in the family.

Mrs. Turner at that time had a brother-in-law and a brother both named Robert, but to make the distinction the brother is called Bobby, and in receiving the message Mrs. Turner understood it was her brother that had died.

Before leaving for Bonham, Mr. Turner talked with the family, telling them they were coming and at what time they were to arrive. Nothing was said in the conversation as to names, and the next morning when Mr. and Mrs. Turner arrived in Bonham, a brother of Mrs. Turner's, Claude Phillips and his wife met the train and went with them a distance of about two blocks to the home. They entered and the casket was to one side of the door and almost at once "Bobbie" Phillips entered the room through another door. Mrs. Turner was so shocked, she became blank for an instant, and none but Mr. Turner, by then, could know that a mistaken message had been received, and that it was the brother-in-law, Robert Galbreath, who had died and not the brother, "Bobbie" Phillips. This was a terrible ordeal for any one to pass through.

Mr. Galbreath was only 36 years of age and his death was caused by heart trouble.

## Vegetable Laxative Makes Happy Friends

Here's a laxative that usually acts thoroughly as harsher ones but is a gentle persuader for intestines when used this way: A quarter to a half-teaspoonful of spicy, aromatic BLACK-DRAUGHT on your tongue tonight; a drink of water. There's usually time for a good night's rest, with a gentle, thorough action next morning relieving constipation's headaches, biliousness, sour stomach, bad breath.

BLACK-DRAUGHT is a splendid combination of vegetable ingredients, chief of which is an "intestinal tonic-laxative" that helps impart tone to lazy bowel muscles. It's economical. 25 to 40 doses: 25c.

## High Spots on Record-Breaking Run

Signs of the times in a motor age—these highway markers tell the story of a two-year, 100,000-mile truck test run recently completed by Chevrolet. In Canada, Mexico and every state of the Union, the truck operated on all types of highways and under every conceivable weather hazard, setting a new world mark for sustained and certified automotive operation, under the sanction and official observation of the American Automobile Association. The unit carried a 4,590-pound "payload." An average of 15.1 miles per gallon of fuel was maintained throughout the 100,000 miles, at an average operating speed of 33.07 miles per hour. Oil mileage was correspondingly high—1,072 miles per quart.

## METHODIST CHURCH

Rev. John W. Hendrix, Pastor

Yes sree, it looks as if it were going to occur! The most excellent attendance of last Sunday indicates it. People are coming back to the church! Somewhere around it, in some of the things it keeps saying, saying with musical repetition, with growing assurance and enthusiasm—somewhere in it all is eternal life. When all else has burned out and failed the church as the embodiment of Christ will be singing, praying and preaching her way to a great eternal triumph. Yes, we're waiting for you at the church.

We have instructions and exhortations to give in our Church school which opens its session at 9:45 each Sabbath morning. You may share in it.

We have public worship garnished with the treasured old music of the church. The pastor will appear in the service as its leader and speaker, using as his theme, "Did Christ Build A Church?" Which one? Is it any organization we know? Is there now such a church? Where could you find that church? It seems this is an ever interesting and certainly a vital question. In the morning hour, beginning at 10:50, the pastor will attempt to answer, these and other questions.

Last Sunday the subject was, "What's Right With The Church." It seems proper to follow this with another sermon on the church. Services 10:50 A. M.

In the evening we open our worship with a Big Sing in which we sing your favorite song. The subject of the sermon will be, "Now." Just one word, a word so often overlooked. Services, 7:45 P. M.

The Young People will have their period of study and worship at 6:45 P. M. Why not arrange to be present and on time?

## "Build-Up" Good News For Suffering Women

Much of women's periodic distress may be unnecessary!

Many who suffer from headaches, nervousness, cramp-like pain, other symptoms of functional dysmenorrhea due to malnutrition are helped by CARDUI.

Main way it helps relieve periodic distress is by increasing appetite and flow of gastric juice. Thus it often aids digestion; helps build strength, energy, resistance to periodic disturbances.

Others find help for periodic discomfort this way: Start a few days before and take CARDUI until "the time" has passed. Women have used CARDUI more than 50 years.

Mosquitos are a sign of filth, neglected sanitation, and pure cussed carelessness on somebody's part. Are YOU going to be a volunteer to fight mosquitos in Hamlin this season, if so commence NOW.

## BAPTIST CHURCH

We "Praise God from whom all blessings flow" because of the glorious revival God gave us. As pastor of this church, I wish to say I never worked with a more loyal people, and the revival we have just closed will always be a bright spot in my life. You have reaped a harvest from the seed you have been sowing for years.

Next Sunday we begin a new quarter in Sunday School. Our goal is set at 310 average for the quarter. It is a high goal, but by using the same efforts we used in the revival, we can do it. Be here at 9:45 A. M. and get the blessing that comes from the teaching of the word of God.

## WELCOME TO JONES COUNTY SINGERS

We wish to welcome the Jones County Singing Convention to Hamlin this week end. We invite as many as care to, to worship with us in our morning service. We are arranging to have one of the best quartets render special music in our service, and we feel sure many will want to hear these noted singers. "See you in Sunday School and church Sunday."

H. E. EAST, Pastor

## Stealing Something To Keep Clean With

"OVER THE CO." By G. D. Triplett

If being clean is next to being king then we know of a thief who must be rather kingly. In a community of Jones County in one day's time one resident had a washboard stolen from his home, while he was away, and another had a brand new broom and mop stolen.

In addition to keeping clean the thief was also going to keep from being hungry for a few days later someone took a bunch of chickens from another house in the community.

—Otc—

We also recall that in an adjoining community a few days ago when one industrious farmer put out several acres of pecan trees one day and

## F. E. Barnes' Aged

### Father Died While Visiting Here Friday

F. E. Barnes, aged 88 years, passed away at the home of his son, F. E. Barnes, Jr., near the Grammar School building, last Friday after a short illness.

Funeral services were held at the old home, at Sipe Springs, Saturday. A Brownwood Funeral home came for the body and interment was in the Sipe Springs cemetery. The deceased was a member of the Church of Christ.

The death of Mr. Barnes came just eight days after the passing of his wife, who was 84 years of age. They had been married 66 years, and the husband had come to Hamlin to live with his son. The survivors are F. E. Barnes, Jr., Hamlin; J. C. M. Barnes, Lubbock; Mrs. H. W. Teeters, Clovis, N. M.; E. R. and J. B. Richardson, Dayton, Texas.

Another death was reported in the Barnes family this past Wednesday morning. Mrs. F. E. Barnes' brother was reported as dying suddenly at his home in DeLeon, Texas.

that night someone dug up and carried off fifteen of the trees.

Swell "Youth Treatment:" Change oil for Spring  
Better yet: Change to OIL-PLATING

What's worse than a late Winter?... The late Winter's oil still slopping around in your engine! Changing now is true economy—and you're a regular economy "shark" to change to OIL-PLATING—at Your Mileage Merchant's Conoco station today.

All he does to give you an OIL-PLATED engine is to drain and then re-fill with Conoco Germ Processed oil—at a perfectly usual price. But extremely unusual is the costly man-made extra substance in this patented oil. It bonds

lubricant to engine parts—like fine PLATING. That's your OIL-PLATING, which can't fly off, or drain down during all-day runs and all-night stands. That's why your OIL-PLATED engine can't even start unlubricated. The less of that oil-starved starting, the less risk of a worn engine that over-eats oil. Change to OIL-PLATING today at Your Mileage Merchant's. Takes no extra time. But it's an extra long time till you need your next quart of Germ Processed oil. Continental Oil Company

## Junior-Senior Banquet

Date Is Announced

Members of the junior class of the Hamlin High School have announced April 12, as the date for the annual Junior-Senior Banquet, honoring members of the senior class, class mothers and fathers, sponsors and faculty members.

The banquet will be served by the Methodist Women's Missionary Society in the banquet room of the Methodist Church.

A garden theme will be used featuring a blue and gold color scheme.

Anything that will hold an inch of water makes a good nest for mother mosquito to deposit a batch of eggs, and later, O Gosh, it just takes a few days of warm weather to do the trick. Look out for old buckets, old cans, NOW.

Mrs. E. M. Wilson, who has been making her home in Denton and Sweetwater for the past 4 years, returned Monday to Hamlin, and is opening a Rental Library and Book Shop at the McMahon Jewelry Co. Mrs. Wilson is a Hamlin pioneer, having made her home here since the beginning of the town, until about 4 years ago when she went to Denton, to be with her daughter who was attending N. T. S. T. C.

Mrs. C. M. Whipp, of Lubbock, who has been visiting her sister, Mrs. Haraghty who is ill in the home of Monroe Maberry, has left for a visit in Fort Worth.

Filthy water, has plenty of mosquito food in it to make 'em grow, and one female skeeter furnishes 1000 eggs or maybe 10,000. Water should be tightly covered or coated with oil. Do it NOW.

## Boyd Chapel School Sang Over K X O X

Mrs. Wortham Crow took eighteen primary pupils to Sweetwater last Saturday, March 30th and sang over KXOX during the "Kiddies" College Program."

The pupils sang two songs, "The Eyes of Texas," and "The Man With The Mandolin." They were accompanied at the piano by their teacher, Mrs. Crow.

Mr. and Mrs. Judge L. Crow took them to Sweetwater in their truck.

The pupils who sang were: Connie Flood, Denyl Young, David Young, Edward Lee, Doyle Lee, Mary Ward, James Carter, Vernon Joe Sellers, Billie Hubbard, Walter Lee Goza, Floylenzy Flood, Yvonne Young, Billie Teal, Katherine Baiston, Rayford Ward, Dolores Young, John Otis Young and J. W. Carter.

S. J. Parker of Celina, Texas, is in this section of Texas to visit his son, Will A. Parker of Hamlin and his brother-in-law, Whit Springer in Aspermont. Mr. Parker is just 95 years of age, and as frisky as some men 30 years younger.

## 500 Silver Dollars Delivered to Safeway

J. D. Burk received some "hard" money Wednesday morning — 500 large, massive silver dollars.

The "Silver" was a method of celebration—25 years ago this week the Safeway Stores were started.

To get a few "silver" wheels once more in circulation about Hamlin, Manager Burk ask the local bank to furnish him exactly 500 big old dollars.

Ye Editor knows that the dollars are both big and old. Sixteen of them weigh a full pound and the reason we know some of them are "old," is because one at least was coined the same year we discovered America.

Burk says when his customers make change this week he tries to get them to take part of it in big round hard dollars—real money to rattle. So after a few days that 500 silver wheels should be jingling in many pockets and over other counters as well as at Safeway's. A Silver Anniversary.

The Herald anywhere, 1 yr. \$1.00.

## Rabbit Drive At Flat Top Tuesday, April 9

Rabbits are thick as "chiggers" in the black lands out at Flat Top, 7 miles north of the Hamlin Oil Mill.

They need a lot of "shooters" and you are invited to meet at the Roy Bruner residence at 8:00 A. M. and the drive will extend east till noon and just east of the mountain at "Middle Tank." Dinner, barbecue, pies, cakes, coffee, pickles, will be served. Come and shoot and eat. Remember, Tuesday, April 9th, at Flat Top.
